Subject: Agenda for Project Review

Dear project leaders:
Attached is the current agenda for the project review on February 20. Please note that we will begin at **9:15 am** Richmond time (instead of 8:30 am). This change is being made to accommodate several of the presenters' schedules. The review should still adjourn by 11:30 am.

We will have approximately 5 minutes per project so please keep your discussions top level and focused on the timelines (not data).

Please remember to send me your presentations by the end of the day on February 18th so that I can distribute copies as needed. Let me know if any questions.

Thanks in advance,
Valerie
